

## Concerned Lawyers Network

Read the evidence that the Government doesn't want you to know about.

Watch warning videos from doctors -it's not a vaccine. We are expected to participate in a large scale clinical trial for a gene experiment. No human trials have been completed. All animals in the animal trials labs died.

It's not about your health- there is a world financial and social credit system agenda behind these controls over your liberty. Crimes Against Humanity will need to be prosecuted.

Know your rights. Tyranny stops when people resist it and stand up for their rights.

Research for yourself:
